

Koszyki

To all Koszyki lessees!

The opening of Hala Koszyki is coming soon, which is the perfect moment to present the list of our lessees amongst which you'll find 18 gastronomical locations, 11 food shops and open 7 days a week, from early morning till late evening Bazar Koszyki. You'll also find a bookstore, kitchen & home accessories shop, culinary academy and many other cultural attractions. All of it is organized in the revitalized historical interiors of Hala where today's style of worldwide known market halls takes place of the old way of shopping.

All gourmets' paradise

For the first time in Poland there exists a place where under one roof you can choose from eighteen restaurants serving food not only from furthest corners of the world but also the local rarities. In Hala Koszyki you'll be able to visit both new and well known to Warsaw citizens concepts, like Semolino Ristorante with Italian cuisine, Heritage Shop&Wine with Italian delicacies, a Thai Tuk Tuk, Bierhalle with wide range of dishes perfectly matching their beer, Gringo Salsownia with Mexican food, Kielba w Gębie serving sausages in surprisingly many ways, Mango Vegan with its best according to the Yelp ranking hummus or the finest burgers from the Soul Food. Amongst completely new concepts you'll find Port Royal Fish&Oyster Bar serving fish and seafood, Sobremesa Tapas Bar with the best choice of snacks and appetizers, Siewcy Smaku whose menu is full of shoots, sprouts and edible flowers, the Indian Curry Leaves, Japanese cuisine at Kago Sushi, best crepes' house Kreperia and finally two authorial concepts of Mateusz Gessler. Last but not least, in Warsaw Koszyki Weranda Bistro from Poznan will also gonna open its restaurant, which may revolutionise Warsaw breakfast restaurants' ranking. The completion of all these locations will be the 50-metre Bar Centralny Koszyki with almost just as long list of soft drinks, alcoholic beverages and aperitifs.

Hala Koszyki is also a great place to do a complete food shopping, starting from Bazar Koszyki, open all 7 days of week from morning till evening, through the Maison de Thé tea shop, Crazy Butcher butcher's, tempting with the smell Aromat bakery, Mediterranean specialties' house Damas, ending up on ecological Smak Natury

shop, Corona Sok i Mus with freshly extracted juices, Gaba & Garçons Confectionery with cookies and cakes, Karmello chocolate shop and ice-cream heaven Magiad'Italia.

Trade space

Long ago the cellars of Hala Koszyki were functioning as the groceries' storage rooms, which was a revolutionary solution in those days. Today -1 level will become a trade space where the brand new edition of Piotr i Paweł supermarket will show its new interiors and assortment prepared specially for Koszyki, Rossmann chemist will again show itself with 16 thousand products, 5àsec laundry will rescue your clothes from obstinate stains, Azul Holiday will neatly plan any trip of your dreams and Duka will decorate your home and attract you with some culinary shows. Finally Świat Książki bookstore will take care of your soul and enable you to equip yourself with the newest bestsellers and to take part in many meetings with the books' authors.

Creation space

The first floor of Hala Koszyki, above the whole culinary space, will be reserved for art and other creative concepts, like Comfort Food Studio culinary academy. When it comes to art, the space is going to be used for regular exhibitions taking place in Hala. The first exhibition will be open this autumn. Apart from that, a special museum showing the history of Hala as well as its revitalization process will be organized. On the other hand, the culinary academy will be the place of special culinary events and exceptional meetings proving the philosophy of its authors that food is something more than just a diet. The teachers of the Comfort Food Studio will be well known chefs and passionate lovers of cooking.

About Hala Koszyki

The guests of the new Hala will have a wide choice of 18 fantastic restaurants and 2000 menu items altogether. All the restaurants will be able to serve 770 guests at once and prepare 51000 meals a day which gives 2100 dishes per hour. The ones, who like to take some ersatz of the delicious things they've tasted home will be able to do that thanks to 11 food stores offering a great variety of specialties as well as Bazar Koszyki open 7 days a week, from early morning till late evening. The concept of Hala Koszyki followed the examples set by other world's classy market halls functioning in Rotterdam, London, Oslo and Florence. The rich offer of Hala mapped out on 2400 square metres of gastronomical space will surely satisfy everyone – the ones who come here for a morning coffee, a casual lunch, a meeting with friends, a smart dinner or a relaxing glass of Prosecco in the bar open till late evening hours. Thanks to its diversified possibilities Hala will become the living part of the city – Warsaw crucible in the gastronomical, social and cultural ways.
